FRAGRANCES & COSMETICS

FM Fragrances are full strength perfumes
NOT Eau de Toilette!

The perfume oils are sourced from
the company "Drom" in Munich, Germany.

The same perfumery as used
by the High Street Brands.

It is important to know that
perfume oils do not have copyright
but brand names do.

FM do not advertise or use
celebrity endorsements
this reduces the amount you pay to
less than half high street prices
